

# Casa Rural ELS MASOS D'EN COLL - MAS POU I

## Datos Generales

**description:** Mas Pou belongs to Els Masos d'en Coll, where our family is settled for more than 5 generations. Agriculture and the cattle dealer have been and continue being a very important part of our life. Mas Pou is a great farm house with more than 4000 mts built: the grandparents house, rooms to rent and three cottages, that with the sheds and barns conform a set that at a distance seems a small village. Mas Pou I is one of the cottages that shares the garden and the swimming pool with the other two. A modern and rustic combination painted in greenish tones and a complete equipment, that makes of it a very cosy place for vacations. At the ground floor there is the kitchen, dining- room and living-room in single department, and on the superior floor there are two rooms: one with a double bed and the other with two single beds, and a beam. You will find more information about our offer on
