## Situation

This house is located in a beautiful place called "Arbejales" (4km from Teror), in an idyllic and leafy valley of agricultural tradition, inhabited from the 16th century. In Sagrado Corazón (a charming little village) 400 meters away from the house, there is a beautiful old church, built in 1916. Less than 3 miles away is the attractive and historic town of Teror, unchanged for centuries, with a fine wide street of colonial houses with ornately carved wooden balconies. The Osorio Farm Estate constitutes Teror's most exquisite natural setting. Part of the legendary Doramas Rural Park contains one of the most important forests on the island. In the beautiful wilderness, hikers and lovers of nature will find many interesting trails to explore in Osorio, on their way to the summit. For lovers of the sea, the honey coloured Playa de las Canteras, one of the best and longest city beaches in the world, is just 40 minutes away. So you can combine nature with a beach and bathing holiday.
