

Casa Rural TRASLACRUZ Y LA CORTINA

Datos Generales

description: In fifteen minutes off the highway, the traveller will be immersed into a fully natural environment. Traslacruz and La Cortina are two tiny Asturian villages protected by an untouched and wild natural environment. Only the description of those who had the privilege of feeling its peace and beauty can do justice to this panorama. We have restored old farming houses, converted them into comfortable apartments while caring dearly for the interior.
