

# Casa Rural LAS HOYETAS

## Datos Generales

**description:** [Cottage house web site](http://www.hoyetas.countryhousegomera.com)

This large old house is in righth next to the main road of Hermigua. The original structure has been maintained in the renovation of the house. It has been divided into two dwellings of which the lower part is for renting. It is a duplex, but large in size. The living room / kitchen and bathroom are on the first floor and the bedrooms on the second. The furniture in the living room is antique. The kitchen and bathroom are large and functional. The bedrooms are large with wooden floors and their windows look out on the main road. Outside, next to the house there is a small terrace just adjacent to the road, where visitors can sit and enjoy views of the surrounding landscape of banana plantations and mountains. There is a private parking next to the house.

**capacity:** 3 persons

**Acceso:** car access

**location:** house in town center
