

Casa Rural MERCEDES

Datos Generales

description: This country house was built approximately 100 years ago. Its former owners, country people, devoted themselves to agricultural crop and to livestock farming. As years went by, and due to economic reasons, the owners had to sell their property. Nowadays it is rehabilitated for any visitor who wants to spend a pleasant stay with the people of the area, their customs and their way of life. Its interior is decorated with modern furniture of rustic style and it has the comforts of any modern house. The environment of the house and that of the countryside that we can contemplate from the terrace gives us a feel of well-being and immense tranquility.
