

Casa Rural ELISEO

Datos Generales

description: [Cottage house web site](http://www.eliseo.countryhousegomera.com)

An ample stone and tile house with thick walls and high wooden ceilings. Inside the house, every corner is full of beautiful old artefacts; in the entrance for example, there is an antique gramophone and photos of the house from the last century. In the living room and kitchen there are many antique kitchen and farming tools. Of special interest is the old clay oven situated in the kitchen. A big pine tree throws shade over the spacious patio from which magnificent sunsets can be enjoyed, with the island of El Hierro opposite La Gomera.

capacity: 5 persons

Acceso: car access

location: house in town center

minimum rate/day: 60.00 € / 2 persons

Services:

Situation

In Alajeró it is possible to enjoy very different environments like the Garajonay National Park and the beaches of Santiago without travelling very far. Places of interest in the municipality include the parish church "del Salvador" from the 17th century and the drago tree situated close to Agali which can be reached with a pleasant stroll.
